- 4.2. The budget planning process follows an annual planning cycle and consists of the following four phases:
 - Planning.
 - Budget setting.
 - Monitoring.
 - Review.
- 4.3. The budget process takes the following elements into account:
 - Forecasts of likely pupil numbers to estimate the amount of DfE grant available.

- 4.8. Both medium-term and short-term financial plans are prepared for the Trust and each of the academies in the Trust.
- 4.9. The medium-term plan indicates how the Trust and each academy's educational aims and other objectives are going to be achieved within the expected level of resources over the next three years.
- 4.10. The development plan provides the framework for the annual budget.
- 4.11. Once budgets are agreed, this will be communicated to all responsible budget holders to ensure they are aware of the overall budgetary constraints.
- 4.12. The board of trustees will notify the ESFA within 14 calendar days of proposing to set a deficit revenue budget.

- 5.3. The principal is responsible for monitoring income and expenditure in their academy throughout the year.
- 5.4. A three-year budget forecast will be prepared when the budget for the current financial year is being set.
- 5.5. The CFO will prepare monthly management accounts, setting out the Trust's financial performance and position and including an income and expenditure account, variation to budget report, cash flows and balance sheet. The accounts will be shared with the principal and chair of trustees every month and with other trustees six times a year.
- 5.6. The board of trustees will consider the management accounts when it meets and will ensure appropriate action is being taken to maintain financial viability.

- 5.8. Any potential overspend against the budget will be discussed with the CFO before receiving approval.

- 5.9. The monitoring process will be effective and timely in highlighting variances in the budget so that differences can be investigated, and action taken where appropriate.
- 5.10. The Audit Committee will continually monitor the quality of the financial information presented to them to ensure that what is provided remains appropriate, particularly in terms of its timing, level of detail and narrative.
- 5.11. The trust will submit the following returns to the ESFA:
 - A budget forecast return outturn by 21 May
 - A three-year budget forecast return by 30 July
- 5.12. Where the board of trustees has concerns about the Trust's financial performance, it will act quickly to ensure the trust has adequate financial skills in place and consider whether additional financial reporting is required.

6. Cash management

- 6.1. The Trust has robust procedures in place to manage its cash position and will avoid becoming overdrawn.
- 6.2. The CFO will prepare cash flow forecasts to ensure that the Trust has sufficient funds available to cover day-to-day operations.
- 6.3. The Finance manager will record all transactions regarding cash flow for the academies and the CFO will record transactions for the Trust.
- 6.4. When producing cash flow forecasts, if significant balances can be foreseen, steps will be taken to invest the surplus funds.
- 6.5. All cheques and other instruments authorising withdrawal from the Trust's bank accounts will bear authorising signatures/electronic signatures in line with the scheme of delegation. The principal is the authorising signatory in an academy, unless otherwise delegated.
- 6.6. Credit cards linked to the Trust bank account are issued to personnel under the scheme of delegation to pay for goods and services when the normal ordering processes are not possible.
- 6.7. The procurement of goods and services using credit cards will be kept to a minimum and monitored by the CFO.
- 6.8. Payment via credit card requires the same authorisation as that of cheques.

7. Purchasing, procurement and returns.

- 7.1. All academies within the Trust will act in accordance with the Trust's Tendering and Procurement Policy & the Financial Scheme of Delegation
- 7.2. The principal is the budget holder for each academy and their approval will be sought for any purchases or tenders – see appendix 1 for further guidance on ordering & receipting.
- 7.3. An accepted tender will be the one that is economically most advantageous, unless it can be demonstrated that this is not the best option for the Trust and other factors outweigh any monetary savings.

- 7.4. To maintain integrity concerning the use of public funds, the following general principles will be adhered to:
- **Probity** – it must be demonstrable that there is no corruption or private gain involved in the contractual relationships of the Trust.
 - **Accountability** – the Trust is publicly accountable for its expenditure and the conduct of its affairs.
 - **Fairness** – all tenders dealt with by the Trust are done so fairly and equally.
- 7.5. There are three forms of tender procedure: open, restricted and negotiated.
- 7.6. Open tenders are where potential suppliers are invited to tender. This method involves the Finance manager and/or Facilities manager discussing and agreeing with the CFO how best to advertise for suppliers.
- 7.7. Restricted tenders refer to where suppliers are specifically invited to tender. This method is appropriate where:
- There is a need to maintain a balance between the contract value and administrative costs.
 - A large number of suppliers are likely to register an interest.
 - The nature of the goods means that only specific suppliers can be expected to supply the trust's requirements.
 - The costs of publicity and advertising are likely to outweigh the potential benefits of open tendering.
- 7.8. Negotiated tenders mean that the terms of the contract may be negotiated with one or more chosen suppliers. This method is appropriate where:
- Other tender methods have resulted in either no or unacceptable tenders.
 - Only one or very few suppliers are available.
 - Extreme urgency exists.
 - Additional deliveries by existing suppliers are justified.
- 7.9. When preparing for tender, full consideration will be given to the objectives of the project, the overall requirements regarding the technical skills necessary and after sales service requirements.
- 7.10. The tender evaluation process will involve at least two people who will disclose any conflicts of interest.
- 7.11. Full records will be kept of all the criteria used for evaluation and for contracts over £5,000.
- 7.12. The Trust will aim to achieve the best possible value for money for all its purchases, ensuring that services are delivered in the most economical, efficient and effective way.
- 7.13. The Finance manager and Facilities manager are responsible for ensuring procedures are in place for testing the market, placing orders and paying for goods or services.
- 7.14. If a budget holder is pursuing a query with a supplier, the Finance manager will be informed of the query and periodically kept up-to-date with progress.

- 7.15. Where the value of an order is over £1,000, the requisition will be accompanied with evidence of thorough discussion. Where the value of an order is over £5,000 three written quotes must be obtained.
- 7.16. The CFO is responsible for ensuring that a value for money statement is published annually, on behalf of the board of trustees.
- 7.17. The budget holder for each academy can make routine purchases up to a value of £1,000.
- 7.18. The CEO & principals are responsible for authorising contracts up to £25,000 for the Trust.
- 7.19. Where practicable, three written quotations will be obtained for all orders between £5,000 and £50,000, to identify the best source of the goods/services.
- 7.20. Goods or services ordered with a value of £ 50,001 or more, or for a series of contracts which in total exceed £50,001, are subject to formal tendering procedures.
- 7.21. The principal of an academy may authorise orders up to the value of £25,000.
- 7.22. Purchases between 25,001 & £50,000 require a minimum of three written quotes & the approval of the Finance & General Purposes Committee.
- 7.23. Orders over £50,000 will be authorised by the board of trustees.
- 7.24. Further detailed guidance is contained in the Trust's Procurement & Tendering Policy

8. Income and expenditure

- 8.1. The main source of income for the Trust and its academies is through the grants received from the ESFA.
- 8.2. When allocating funding, the board of trustees will consider the funding needs and allocations of each academy within the Trust.
- 8.3. Principals of constituent academies can appeal any funding allocation decisions to the board of trustees. If, after this appeal, the situation is not resolved, the principal can make an appeal to the ESFA.
- 8.4. The CFO monitors the receipt of grants, ensuring that all grants due to the academies within the Trust are appropriately collected.
- 8.5. The Trust collects income from parents via a number of methods including, but not limited to, the following:
 - School meals.
 - Trips and residential visits.
 - Book bags and uniform.
 - Breakfast and after school club lettings.
 - Reimbursements from various parties and activities.
- 8.6. There are two main areas of expenditure:
 - **Salaries** – this forms the largest element of expenditure. The principal, with effect from 1 September and no later than 31 October, will review salaries of all staff members on an annual basis. Pay review recommendations are then given

to the pay committee for discussion and authorisation. The Remuneration Committee confirms pay awards, incremental progression and performance led pay increases, all of which the CFO will cost, using known figures and estimates, when preparing the draft budget.

- **Premises maintenance** – a combination of maintenance surveys and historical costs will form the basis for planned maintenance. The facilities manager will incorporate an allowance for unexpected contingencies, as well as for any small new works, which may be proposed in-year. Staff members will follow the procedure outlined above when requesting maintenance of premises or new work.

- 8.7. The finance manager will keep an up-to-date record of the income and expenditure for each academy.
- 8.8. The administration assistants will bank the entirety of any money collected in return for goods or services, such as a school trip, in the Trust bank account and inform the CFO of the details.
- 8.9. The CFO is responsible for preparing reconciliations between the sums deposited at the bank and the sums posted to the accounting system.
- 8.10. Reconciliations will be prepared promptly following the banking of money will be certified by the CFO.

9. Investments

- 9.1. Where the board of trustees wishes to make investments to further the Trust's charitable aims, it will ensure that investment risks are properly managed.
- 9.2. When considering an investment, the board will:
 - Act within its powers to invest as set out in the articles of association
 - Act in line with the trust's Investment Policy and review this policy on an annual basis.
 - Ensure value for money.
 - Take advice from professional advisers where appropriate.
 - Ensure that exposure to investment products is tightly controlled so that security of funds takes precedence over revenue maximisation.
 - Ensure investment decisions are in the best interests of the Trust.
- 9.3. Prior approval will be sought from the ESFA before all investment transactions that are novel, contentious and/or repercussive, regardless of value.

10. Borrowing and debt

- 10.1. Approval will be obtained from the ESFA before borrowing from any source, where such borrowing will be repaid from grant monies or secured on assets funded by grant monies.
- 10.2. Credit cards will only be used for business expenditure.
- 10.3. Payment via credit card requires the same authorisation as that of cheques.
- 10.4. Credit card balances will be cleared before any interest accrues.
- 10.5. The Trust will prepare and monitor financial plans to ensure on-going financial health.

- 10.6. The Trust will disclose aggregate figures for transactions of any amount and separate disclosure for individual transactions above £5,000 in its audited accounts for writing off debts and losses, as well as guarantees, letters of comfort and indemnities.
- 10.7. The finance manager will contact individuals of any outstanding debts owed after 30 days of the notification of payment, e.g. an invoice being sent.
- 10.8. The finance manager will issue payment reminders to any non-payments at the following intervals:
 - 4 weeks from the invoice being sent – first reminder
 - 6 weeks from the invoice being sent – second reminder
 - 10 weeks from the invoice being sent – final reminder
- 10.9. If, after the final reminder is sent, payment is not received in full, the CFO will send a letter informing them that if they do not receive payment within 14 days then they will refer the matter to a small claims court.
- 10.10. Debts will not be written off without the express approval from the board of trustees and the ESFA.
- 10.11. The CFO will keep accurate records of the debt process, including:
 - Logging invoices and receipts on the trust's accounting system.
 - Keeping any emails pertaining to debt collection for three months after the payment has been made.
 - Keeping emails of payment notifications, ensuring each email clearly states the number of the reminder and the date it was sent.
- 10.12. Only the CEO can write off debt, with approval from the ESFA and the F & G P Committee.
- 10.13. In relation to debt recovery for outstanding amounts owed by parents, the administration assistants will follow the debt recovery policy.

11. Fixed assets

- 11.1. Academies are responsible for maintaining an asset register for all equipment at their location. All items purchased with a value over £1000 must be entered in the Trust's asset register. The facilities manager is responsible for the register which is monitored by the CFO.
- 11.2. The Asset Register helps:
 - Ensure that staff take responsibility for the safe custody of assets;
 - Enable independent checks on the safe custody of assets, as a deterrent against theft or misuse;

 - Help the external auditors to draw conclusions on the annual accounts and the academy's financial system;

- 11.4. Disposal of assets – items that are to be disposed of by sale or destruction must be authorised by the Facilities manager. Any items with a disposal value of £5000

or over must be communicated to the CFO, who in turn would send any appropriate notification to the ESFA. All disposals of land must be agreed in advance with the Secretary of State Page 16 of 33

- 11.5. Any disposal will maintain the principles of value for money, regularity and propriety.
- 11.6. The board of trustees will refer to the DfE's '[Good estate management for schools](#)' guidance to help them to manage capital assets and budgets.
- 11.7. Loan of assets – Items of the Trust should not be removed from premises without the authority of the Facilities manager or principal. A record of the loan must be recorded in a loan register and booked back in when it is returned.
- 11.8. Accounting for fixed assets - Assets costing £3,000 or more will be capitalised as tangible fixed assets and will be carried at cost, net of depreciation and any provision for impairment. Where tangible fixed assets are acquired with the aid of specific grants, either from the government or from the private sector, they will be included in the balance sheet at cost and depreciated over their expected useful economic life. The related grants will be credited to a restricted fixed asset fund in the SOFA and carried forward in the balance sheet. Depreciation on such assets will be charged to the restricted fixed asset fund in the SOFA so as to reduce the fund over the useful economic life of the related asset on a basis consistent with the Trust's depreciation policy.
- 11.9. Depreciation will be provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a reducing balance basis over its expected useful lives.
- 11.10. The depreciation will be calculated by the appointed auditors on an annual basis for preparation of the year-end accounts.
- 11.11. Groups of assets will use the same method of depreciation. There may very occasionally be an asset that does not completely fit into one of the categories below and the F&GP committee will discuss these items on an individual basis.
- 11.12. The expected useful life of all assets will be assessed prior to depreciation calculations and recorded in the Fixed Asset Register. Reducing balance is the method of depreciation.

ASSET GROUP	DEPRECIATION
Land	No depreciation
Buildings and Building modifications	0.8%
Plant and Machinery	Machinery 20%
Furniture and Equipment	15%
Computer Equipment (inc. laptops, projectors, whiteboards, PCs & server)	33%
Motor Vehicles/Minibuses	25%

12. Leasing

- 12.1. For the purpose of this policy, there are two types of lease:
 - Finance lease – a form of borrowing
 - Operating leases – not a form of borrowing
- 12.2. The Trust will obtain approval from the ESFA for the following lease transactions:

- Taking up a finance lease on any class of asset for any duration from another party.
- Taking up a leasehold or tenancy agreement on land or buildings from another party for a term of seven or more years.
- Granting a leasehold interest, including a tenancy agreement, of any duration, on land and buildings to another party.

12.3. Any lease will maintain the principles of value for money, regularity and propriety.

13. Gifts

13.1. The value of any gifts will be reasonable and within the limits set out in the Gifts, Hospitality and Anti-Bribery Policy.

13.2. The decision to make gifts will be documented and have regard to propriety and regularity.

14.3. All transactions with related parties will be reported to the ESFA in advance of the transactions taking place. This applies to transactions made on or after 1 April 2019 1.

4.4. The board of trustees will ensure procedures pertaining to related party transactions are applied across the Trust.

14.5. The board of trustees and accounting officer will manage personal relationships with related parties to avoid both real and perceived conflicts of interest, promoting integrity and openness in accordance with the [seven principles of public life](#).

14.6. The chair of trustees and the accounting officer will ensure their capacity to control and influence does not conflict with requirements.

- 14.7. The Trust recognises that some relationships with related parties may attract greater public scrutiny, such as the following:
- Transactions with individuals in a position of control and influence, including the chair of trustees and the accounting officer.
 - Payments to organisations with a profit motive, as opposed to those in the public or voluntary sectors.
 - Relationships with external auditors beyond their duty to deliver a statutory audit.

- 14.10. The Trust will obtain prior approval from the ESFA for related party transactions that are novel, contentious and/or repercussive, regardless of value, using the ESFA's [enquiry form](#).
- 14.11. For the purpose of reporting to, and approval by, the ESFA, related party transactions do not include salaries and other payments made by the Trust to a person under a contract of employment through the trust's payroll
- 14.12. The Trust will declare, but not seek approval for, eligible transactions to the ESFA where they are for services that can only be delivered by the diocese. A single upload of evidence relating to the payment or levy for these services will be completed.
- 14.13. The Trust will obtain approval from the ESFA using the [online form](#) for contracts for the supply of goods or services to the trust by a related party agreed on or after 1 April 2019, where any of the following limits apply:

- How the Trust agreed to the related party transaction.
 - That the Trust followed its Tendering and Procurement Policy.
 - That the Trust tested the market before making a decision.
 - How the Trust has managed any conflicts of interest.
- 14.18. All business and pecuniary interests will be recorded on the Register of Interests, including:
- Directorships, partnerships and employments with businesses.
 - Trusteeships and governorships at other educational institutions and charities.
 - For each interest: the name of the business, the nature of the business, the nature of the interest and the date the interest began.
- 14.19. The Register of Interests will identify any relevant material interests from close family relationships between the trust's members, trustees or local governors. Relevant material interests arising from close family relationships between these individuals and employees will also be identified.
- 14.20. The Register of Interests will be reviewed annually, ensuring all information is up-to-date and amended when any new interests are declared.
- 14.21. The relevant business and pecuniary interests of members, trustees, local governors and the accounting officer will be published on the Trust's website.
- 14.22. The Trust will not pay more than 'cost' for goods or services provided by the following:

 - An organisation which is controlled by a member or the relative of a member (acting separately or together), and/or a trustee or the relative of a trustee (acting separately or together) – an organisation is controlled by an individual or organisation if that individual or organisation is able to secure that the affairs of the body are conducted in accordance with the individual's or organisation's wishes.

- 14.27. If any of the parties outlined in 14.16 are based in, or work from, the Trust's premises, the Trust will agree an appropriate sum to be paid to the Trust for use of the premises, unless the party is conducting work on behalf of the Trust.
- 14.28. 'At cost' requirements apply to legal advice or audit services when the organisation's partner directly managing the service is a member or trustee, but not in other cases.
- 14.29. Contributions made by the Trust to the diocese for services received associated with securing the trust's religious character and ethos, which only the diocese can provide, are regarded as meeting the 'at cost' requirement.
- 14.30. The Trust will ensure that any agreement with an individual or organisation referred to in 14.17 is procured through an open and fair process and is:
- Supported by a statement of assurance from the individual or organisation to the Trust confirming their charges do not exceed the cost of the goods or services.
 - On the basis of an open book agreement including a requirement for the supplier to demonstrate clearly, if requested, that their charges do not exceed the cost of supply.
- 14.31. The cost will be the full cost of all the resources used in supplying the goods or services and will not include any profit. Full cost includes:
- All direct costs – the costs of any materials and labour used directly in producing the goods or services.
 - Indirect costs – a proportionate and reasonable share of fixed and variable overheads.

15. Payroll

- 15.1. Payroll forms the largest element of the academy budget and it is, therefore, essential that financial procedures and internal controls in relation to payroll be properly implemented.
- 15.2. All payroll transactions relating to the Trust staff, permanent or casual, will be processed through the payroll system. Payments for employment will not be made through any other mechanism.

- 15.3. Each academy within the Trust will act in accordance with the Teachers' Pay Policy and Support Staff Pay Policy.
- 15.4. The main elements of the payroll system include staff appointments, payroll administration and payments.
- 15.5. The principals, through their administrative teams, will notify payroll of any staff absence using the absence recording system.
- 15.6. The principals, through their administrative teams, are responsible for ensuring that:
 - Payments are made only to bona fide employees.

 - Deductions, including income tax, national insurance and pensions, are properly administered.
 - Payments are made only in respect of services provided to the school.
 - Amendments to the payroll are properly processed.
- 15.7. The principals, through their administrative teams, are responsible for keeping the staff personnel database up-to-date via the designated recording system. This will include the following information about staff members:
 - Salary
 - Bank account details
 - Taxation status
 - Personal details
 - Any deductions or allowances payable
- 15.8. During the spring term each year, the principals & CFO will review staffing requirements for the following academic year and propose any changes. These proposals will be reviewed and approved by the Remuneration Committee
- 15.9. The Remuneration Committee is responsible for authorising the following salary changes:
 - Pay awards for support staff.
 - Staffing structure changes.
 - Performance related pay progression.
- 15.10. The principal will approve the draft monthly payroll report (GTN Report) before the payroll is submitted for approval. A letter of approval will be uploaded onto the dashboard.
- 15.11. CFO will randomly select employees and check the calculation of gross to net pay, to ensure that the payroll system is operating correctly.
- 15.12. Payroll is continuously monitored and reviewed by the CFO to ensure any changes have been implemented correctly and the information is up-to-date.
- 15.13. Payslips will be produced on a monthly basis and administered to employees via secure email, or in person where requested, on the 15th of each month.

Executive pay

- 15.14. The board of trustees will ensure that executive pay follows a robust evidence-based process and are a reasonable and defensible reflection of the individual's role and responsibilities.
- 15.15. No individual will be involved in deciding their salary.
- 15.16. The board of trustees will discharge its responsibilities effectively, ensuring its approach to pay and benefits is transparent, proportionate and justifiable, including:
- **Process** – that the procedure for determining executive pay and benefits is agreed by the board in advance and documented. The Board ensures that both pay and benefits are kept proportionate.
 - **Independence** – decisions about executive pay reflect independent and objective scrutiny by the board and conflicts of interest are avoided.
 - **Robust decision-making** – factors in determining pay and benefits are clear, including whether educational and financial performance considerations, and the degree of challenge in the role, have been considered.
 - **Proportionality** – pay and benefits represent good value for money and are defensible relative to the public-sector market.
 - **Commercial interests** – the board is sighted on broader business interests held by senior executives, and is satisfied that any payments made by the trust to executives in relation to such interests do not undermine the transparency requirements for disclosing pay in accordance with the Academies Accounts Direction.
 - **Documentation** – the rationale behind the decision-making process, including whether the level of pay and benefits reflects value for money, is recorded and retained.
 - A basic presumption that non-teaching pay and benefits should not increase at a faster rate than that of teachers, in individual years and over the longer term.
 - Understanding that inappropriate pay and benefits can be challenged by the ESFA, particularly in any instance of poor financial management of the trust.
- 15.17. **Trusts with 250 or more employees.** Information about the gender pay gap in the Trust is published on the Trust's website and on the government's reporting website (<https://www.gov.uk/report-gender-pay-gap-data>).

16. Charging and remissions

- 16.1. The executive leadership team is responsible for creating a Charging and Remissions Policy.
- 16.2. Each academy will act in accordance with the Trust's Charging and Remissions Policy at all times.

- 16.5. Payments for activities will be processed and recorded by the administration assistants.
- 16.6. The administration assistants are responsible for ensuring that the correct invoices are sent to parents, and that payment is received.
- 16.7. The F & G P committee will review the Charging and Remissions Policy annually, seeking advice from the CFO where necessary.

17. VAT procedures

- 17.1. TST, and the academies within it, are registered for VAT (Form 126) and are entitled to reclaim VAT on qualifying purposes through a monthly VAT return.
- 17.2. Under legislation, VAT claims can be made on expenditure, which supports the Trust's core business purposes.
- 17.3. A report is run by the CFO, to provide the data necessary for the completion of the VAT reclaim form.
- 17.4. VAT is reclaimed monthly.
- 17.5. Only one return for the Trust is required by HMRC.
- 17.6. TST is eligible to reclaim most of the VAT it pays on invoices from HMRC.
- 17.7. Any invoices, for which VAT cannot be reclaimed, as the purchases were for business activity, are identified and deleted.
- 17.8. Where invoices relate partly to business activity and partly to non-business activity, only the proportion of the VAT relating to the non-business activity will be reclaimed.
- 17.9. The Trust will not recoup the VAT element of journeys in the UK or abroad, which are identified in invoices unless the Trust is making substantial and direct cash subsidies for each pupil.
- 17.10. Reclaimed VAT will not be debited to the individual academies, but to the VAT control account of the Trust.
- 17.11. On receipt of the reclaimed VAT from HMRC, the CFO will review the remittance, confirm whether this equals the claim made and sign the remittance to confirm this agreement.

18. Risk management

- 18.1. The Trust will maintain a risk register and manage risks to ensure its effective operation, including contingency and business continuity planning.
- 18.2. The Trust will have adequate insurance cover in compliance with its legal obligations or will become a member of the academies [risk protection arrangement](#).

19. Special payments

19.1. For the purpose of this policy, special payments include:

- Staff severance payments.
- Compensation payments.
- Ex gratia payments.

19.2. Where the Trust considers making a staff severance payment above statutory or contractual entitlements, the following factors will be considered prior to making the commitment:

- The proposed payment is in the interest of the Trust
- The payment is justified, based on legal assessment of the chances the Trust will successfully defend the case at employment tribunal
- The level of settlement is less than the legal assessment of what the relevant body will award.

19.3. Under no circumstances will the Trust make severance payments where the money could be interpreted as a reward for insubordination or failure.

19.4. For severance payments greater than £50,000, the Trust will seek approval from the ESFA. The ESFA will refer the transaction to HM Treasury so the Trust will allow sufficient time for this to be considered.

19.5. Value for money will be shown for all severance payments.

19.6. Compensation payments will take account of the facts of the matter ensuring value for money is achieved.

19.7. For compensation greater than £50,000, approval from the ESFA will be sought.

19.8. The Trust will consider whether cases reveal concerns pertaining to the effectiveness of internal control.

19.9. Ex gratia payments will always be referred to the ESFA for approval.

20. Annual accounts

- Internal scrutiny overseen by an audit committee.
- External audit and assurance.

Internal scrutiny

- 21.2. Internal scrutiny will be conducted within the Trust and directed by the audit committee, alongside the work of an external auditor, to provide independent assurance to the board that its financial and other controls, and risk management procedures, are operating effectively.

- Evaluating the suitability of, and level of compliance with, financial and other controls, including assessing whether procedures are designed effectively and efficiently, and checking transactions to confirm whether agreed procedures have been followed.
 - Offering advice and insight to the board on how to address weaknesses in financial and other controls.
 - Ensuring all categories of risk are being adequately identified, reported and managed.
- 21.4. The programme of internal scrutiny will be covered by a scheme of work, driven and agreed by the audit committee and informed by risk.
- 21.5. The programme of work will be spread appropriately over the year to ensure higher risk areas are reviewed in good time.
- 21.6. With reference to its risk register, the trust will identify on a risk-basis the areas it will review each year and modify its checks accordingly.
- 21.7. Internal scrutiny will take account of output from other assurance providers to inform the programme of work.
- 21.8. Independence in internal scrutiny will be achieved by establishing appropriate reporting lines whereby those carrying out checks report directly to a committee of the board.
- 21.9. Internal scrutiny will be kept under review and if any changes in size, complexity or risk profile become apparent, the trust will consider whether its approach remains suitable.
- 21.10. The Trust will confirm, in its governance statement, the method(s) it uses for internal scrutiny and why these are used.
- 21.11. Findings arising from internal scrutiny will be used to inform the accounting officer's statement of regularity in the annual accounts.
- 21.12. Regular reports of the programme of work will be provided at each audit committee meeting, including recommendations to enhance financial and other controls and risk management.
- 21.13. The Trust will submit its annual summary report of the areas reviewed, key findings, recommendations and conclusions to the ESFA each year when it submits its audited annual accounts. If requested, the trust will also provide any other internal scrutiny reports.

External auditing

- 21.14. The Trust will appoint an external auditor to certify whether its annual accounts present a true and fair view of the Trust's financial performance and position.
- 21.15. The contract with the external auditor will be in writing and be accompanied by a letter of engagement that only covers the details of the external audit including the requirements of the DfE.
- 21.16. The letter of engagement will also include details of the removal of external auditors, before the expiry of the term of office, in exceptional circumstances.
- 21.17. The board of trustees will notify the ESFA immediately of the removal or resignation of the auditors.
- 21.18. The accounting officer will produce a statement on regularity, propriety and compliance and this will be included in the Trust's annual accounts.

22.7. All financial records will be kept securely in each academy's admin office.

24. Whistleblowing and fraud

24.1. The Trust puts proportionate controls in place to mitigate the risks of fraud, theft and irregularity, e.g. regular inspections addressing risks, and implements an Anti Fraud and Corruption Policy.

24.2. Where instances of fraud, theft or irregularity are suspected or identified the board of trustees will investigate it promptly and should any evidence of fraud be found, they will take appropriate action.

24.3. In any instance of fraud, theft or irregularity whereby the amount defrauded comes to a total exceeding £5,000 in a financial year, the board of trustees will report it to the ESFA as soon as they become aware of it.
